Elements of a Story	
<p>Genre--A group or a type of category. We can divide writing into genres according to the work or purpose of the writing.</p> <p>Genres at a Glance</p> <p>Fiction</p> <p>Folk Tale--A story handed down from generation to generation to teach a lesson about life.</p> <p>Tall Tales--A tall tale is a story with unbelievable elements, related as if it were true and factual.</p> <p>Myths--A traditional story of unknown authorship, seemingly with a historical basis, but serving usually to explain some phenomenon of nature, the origin of man, or the customs, institutions, religious rites, etc. of a people: myths usually involve the exploits of gods and heroes.</p> <p>Fairy Tale--Stories that use magic, with some characters that are good and others that are evil.</p> <p>Legend--A story handed down from generation to generation.</p> <p>Fantasy--A story including elements that are impossible such as talking animals or magical powers. Make-Believe is what this genre is all about.</p> <p>Mystery--A suspenseful story about a puzzling event that is not solved until the end of the story.</p> <p>Historical Fiction--A fictional story that takes place in a particular time period in the past. Often the setting is real, but the characters are made up from the author's imagination.</p> <p>Realistic Fiction--A story using made-up characters that could happen in real life.</p> <p>Non-Fiction</p> <p>Informational--Texts that provide facts about a variety of topics (sports, animals, science, history, careers, travel, geography, space, weather, etc.)</p> <p>Biography--The story of a real person's life written by another person</p> <p>Autobiography--The story of a real person's life that is written by that person.</p> <p>Other Genres</p> <p>Poetry--Poetry verse written to create a response of thought and feeling from the reader. It often uses rhythm and rhyme to help convey its meaning.</p> <p>Picture Book--A book that has many pictures that help tell the story or illustrate ideas.</p>	<p>Point of View</p> <p>First-Person Point of View--A character in the story is the narrator. This character is telling the story. The narrator uses the pronouns I, me and we. In first-person point of view, readers learn about events as the narrator learns about them</p> <p>Second-Person Point of View--the author invents a fictional character (just as they would with a 1st or 3rd person novel), and then invites you, the reader, to <i>become</i> that character.</p> <p>Third-Person Point of View--The story is being told by an outside observer (someone who is not in the story). The author uses the pronouns he, she, and they. Third-Person Omniscient: In third-person point of view, the author can tell about the thoughts, actions, and feelings of <u>all</u> the characters in story.</p> <p>Theme-- Sometimes confused with the plot. Both are essential elements, but a theme refers to the idea or concept behind the story rather than the actions that occur. Most stories have more than one theme involved, such as love, greed, and jealousy, and themes can often be expressed as a conflict between two concepts or ideas- ex., good vs. evil. Plot--Also called storyline, plan, scheme, or main story. Refers to the sequence of events & happenings that make up a story.</p> <p>Setting-- The setting is where (and perhaps when) the story takes place. The setting is often given or implied in the title or the first paragraph of a story.</p> <p>Character Traits-- When we talk about a character, we often describe that character in terms of character traits, descriptive adjectives like happy or sad that tell us the specific qualities of the character. They're the same kinds of words that we might use to describe ourselves or others, but we're using them to describe fictional characters in something we've read. Examples of traits a character may have: perseverance, humor, friendship, responsibility, naturalist, leadership, courage, thievery, sacrifice, compassion, honor, loyalty</p> <p>Main Character--the main character (the central or primary personal figure) of a book or story.</p>

Dear Parent,

In your child's class, we are using the Accelerated Reader Program, a program designed to significantly improve student reading achievement. One way you can help is by reading **to** and **with** your child every day and encouraging your child to read independently. The chart below shows the amount of at-home reading that the Accelerated Reader Program recommends.

HOME READING PRACTICE GOALS (In Minutes)			
GRADE	READ TO	READ WITH	INDEPENDENT
PK/Kinder	5	5	10
1st & 2nd	10	5	15
3rd	10	5	20
4th	5	5	25
5th	5	5	30

If you can't meet the goals on the chart, any amount of reading you do with your child at home, or urge your child to do independently, will help.

I have read and understood the recommendations given to improve my child's reading achievement. I will try to meet the goals on the chart.

Estimados Padres,

En el grupo de su hijo(a) estamos usando el programa Accelerated Reader, diseñado para mejorar en forma significativa el desempeño de lectura de los alumnos. Ustedes pueden ayudar leyendo a sus hijos, leyendo con sus hijos, y animándolos a leer en forma independiente. La siguiente tabla muestra los tiempos para leer en casa que el programa Accelerated Reader recomienda por cada grado.

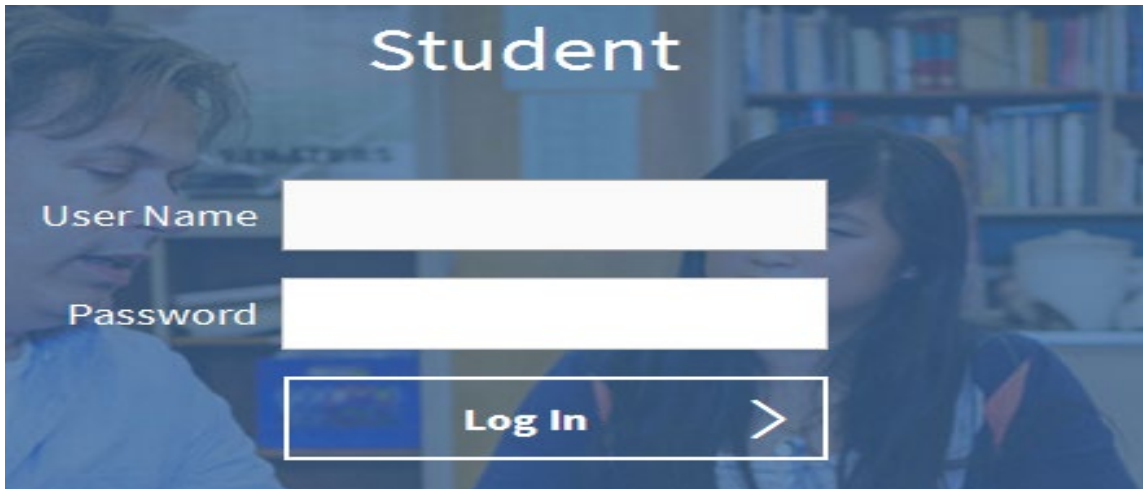

Metas (en minutos) de la practica de lectura en casa			
GRADO	LEER A LOS NIÑOS	LEER JUNTOS	LEER INDEPENDIENTE
PK/Kinder	5	5	10
1st & 2nd	10	5	15
3rd	10	5	20
4th	5	5	25
5th	5	5	30

Si no se puede cumplir con las metas recomendadas, cualquier otro tiempo que puede dedicar a la lectura con sus hijos en casa, o convenciendo a sus hijos a leer en forma independiente, ayudará.

He leído y entendido las recomendaciones hechas para mejorar la habilidad de lectura de mi hijo/a. Yo haré lo posible para que me hijo/a avance en su lectura.

ACCELERATED READER HONOR CODE

- I will complete the journal summary BEFORE I test and write down ALL quiz info/scores.**
- I will only quiz on books I have actually read.** I will read the entire book and ask teacher for permission to test.
I understand that watching the movie of the book does not count and will be considered cheating if I have not read the actual book.
- I understand that all AR quizzes are “CLOSED BOOK.”**
I am not allowed to take my book to the computer area and/or test with my book open, refer to my book once a quiz has started, and/or exit a quiz before it is completely finished. If I am testing on my device, I will not have tab for E book open while testing.
- I will not copy answers, tell someone the answers to the quiz, try to get answers from someone else or take a test for someone else.** I understand that if I do any of those things, I will lose all of my AR points for the year.
- I understand that all quizzes must be recorded in my journal in order to count towards my AR goal.** My teacher must monitor my AR journal on a regular basis. If I do not pass a quiz, my teacher must initial my journal before I can take another AR quiz.
- I will take care of my Reading Log at all times.** I understand that if I lose my Reading Log, the cost to replace my Reading Log is \$5.00.
- I will work hard to reach my reading goals, read books within my reading range (ZPD), and to maintain an average of 85% or higher.**

STUDENT AGREEMENT TO ACCELERATED READER HONOR CODE

I have read and understood the Accelerated Reader Honor Code. I agree with and promise to abide by this code. I understand that if I do not abide by this code that I will lose all of my points and AR privileges.

Types of Poetry: Acrostic Poems: In this type of poetry, the first letters of each line are aligned vertically to form a word. The word is often the subject of the poem.

Narrative Poetry: This type of poetry tells a story and can be about anything. Sometimes the poetry lines have a rhyming pattern. Sometimes they don't rhyme at all.

Free Verse: This type of poetry does not have a pattern or rhyme. It sounds more like a regular speech as if you were having a conversation with another person.

Humorous Poetry: This type of poetry is funny! It can make you laugh, or has silly nonsensical humor in it. It does not necessarily have to make you laugh, but it is usually very funny to read.

Lyrical Poetry: This type of poetry is usually about your feelings and moods. Words from songs are lyrical poetry. A person who writes lyrics in a song is called a lyrical poet.
